ORDER

20 CV 2721 (VB)

On July 21, 2020, the Court ordered plaintiff's counsel to advise on whether this case should be transferred to Manhattan or explain why the case was properly designated for assignment to White Plains under Rule 18 by July 28, 2020. (Doc. #11). Having not heard from plaintiff's counsel, on July 30, 2020, the Court again ordered counsel to advise on whether this case was properly assigned to White Plains by August 6, 2020. (Doc. #12).

To date, plaintiff's counsel has failed to respond to the Court's July 21 and July 30 Orders.

Accordingly, the Court sua sponte extends plaintiff's counsel's time to comply with the Court's Orders to August 14, 2020. If plaintiff's counsel fails to comply with this Order, the Court may dismiss the case pursuant to Federal Rule of Civil Procedure 41(b) or consider other appropriate sanctions.

The Court once again reminds counsel that its orders are not mere suggestions.
